Supplier Declaration Regarding Regulation (EU) 2025/40 "PPWR"

Dear Sir or Madam,

Under the new EU Packaging and Packaging Waste Regulation (PPWR, (EU) 2025/40), the entire packaging supply chain faces numerous new requirements.

Stiebel Eltron is committed to complying with these requirements within the respective applicable timeframes, in accordance with the legal obligations applicable to Stiebel Eltron. The first mandatory changes will take effect on 12 August 2026 and Stiebel Eltron confirms

- to comply with the requirements for substances in packaging pursuant to Article 5 of the PPWR,
- to provide packaging conformity declarations upon request,
- to apply the required packaging labelling.

Freundliche Grüße

STIEBEL ELTRON GmbH & Co. KG
